4.2 Sick Leave (SL)

Sick Leave may be availed for personal illness or injury. A medical certificate from a registered practitioner is required for absences exceeding 2 consecutive days. Misuse of Sick Leave may result in disciplinary action under the Employee Handbook.

4.3 Earned / Privilege Leave (EL)

EL accrues at 1.5 days per completed month of service and may be used for planned personal time, vacations, or other purposes. Employees are encouraged to plan EL in advance and obtain manager approval at least 5 working days prior to the leave, except in emergencies.

4.4 Maternity Leave

Female employees who have completed 80 working days in the 12 months preceding the expected delivery date are entitled to 26 weeks of paid maternity leave for the first two children, and 12 weeks for subsequent children, in line with applicable statutory provisions. Employees should notify HR at least 8 weeks before the expected date of delivery.

4.5 Paternity Leave

Male employees are entitled to 10 working days of paid paternity leave, to be availed within 3 months of the child's birth or legal adoption.

4.6 Bereavement Leave

Employees may avail up to 5 working days of paid leave in the event of the death of an immediate family member (spouse, child, parent, or sibling).

4.7 Leave Without Pay (LWP)

LWP may be granted at the sole discretion of the Reporting Manager and HR where an employee has exhausted all applicable leave balances. Extended LWP beyond 30 days requires approval from the Department Head and HR Business Partner.

5. Application Procedure

- All leave (except emergency Sick Leave) must be applied for in advance through the HR Management System (HRMS).
- Leave requests should be submitted at least 3 working days in advance for CL and EL, except in cases of genuine emergency.
- In case of sudden illness, the employee or their representative must inform the Reporting Manager by phone, email, or message before the start of the working day.
- Approval is subject to business requirements and staffing levels; managers may request rescheduling where operationally necessary.
- Unapproved absence from work will be treated as Leave Without Pay and may attract disciplinary action if habitual.

6. Public Holidays

The Company observes a list of public and restricted holidays notified annually by HR at the start of each calendar year, in accordance with regional and national requirements. Employees required to work on a notified holiday will be entitled to a compensatory day off or applicable compensation as per local labor law.

7. Leave During Notice Period

Employees serving their notice period may avail accrued leave only with prior written approval from their Reporting Manager and HR, subject to smooth handover of responsibilities. Encashment of unused EL, where applicable, will be processed as part of full and final settlement.

8. Special Provisions

- Employees with disabilities or those undergoing medical treatment for chronic conditions may request additional unpaid leave, considered on a case-by-case basis in consultation with HR.
- Adoption leave, in line with maternity leave provisions, is available to employees legally adopting a child below the age of 3 months.
- Sabbatical leave for higher education or research may be granted for a period of up to 12 months at the discretion of senior management, subject to a separate written agreement.
